HANSE SILENT MASTER CABIN

Silence is a precious gift in today's busy world. It offers moments, that only belong to us. For the new Hanse 588 a perfectly peaceful Silent Master Cabin has been developed with special insulation, to shield you against the noise of the boat and its surroundings. Units and pumps

were relocated to other areas. A completely idyllic island of tranquility and your personal declaration of independence. This step is unique in serial yacht building and transforms the Master Cabin into a sensual place of peace.

Maximum noise reduction system

Silent at seven seas

The Silent Master Cabin: Perfect peace and harmonious environment in a place of contemplation await you

FAST CRUISING

The new Hanse 588: Modern design featuring elegant lines and optimal preparations for fast cruising

For many years, Hanse has been setting trends towards simplifying sailing and making it faster. Designed by judel/vrolijk & co, build with a keel-stepped mast, high rig, double forestay, fully-battened mainsail for speed and carbon reinforcement, the new Hanse 588 delivers fast cruising without compromise. The convincing key data: mast length above wl 25.85 m, total sail area 157.00 m², reacher 115.00 m², gennaker 245.00 m².
